Dear Honorable Councilwoman Shanklin:

On behalf of the clients, Community Council and staff of First Neighborhood Place, thank you for your generous donation of \$1,000 to assist us with Emergency Financial Assistance for citizens in our service area.

These funds will be used solely for our clients. The monies will not be paid to individuals themselves, but paid directly to landlords, pharmacies, utility companies and the courts for record expungements, etc.

We recognize your commitment to our service area and we applaud you.

Sincerely,

Yes, I am the Business manager... and I'm a Buddy, please... Councilwomen Shanklin gave \$2000.00 to First Neighborhood Place a number of months back. This would be handled in the same way.

Mr. Parker,

Councilwoman Shanklin has identified an extra \$1,000 that she would like to give to the First Neighborhood Place to use for their program. It is my understanding that you are the business manager for Human Services. If this information is correct and you agree to serve as a contact person, I would like to begin the process of transferring NDF funds to your department. Any assistance you can render would be greatly appreciated. Thanks!
